Insatiable Eats has designed an incredible collection of “Slow Food Fast” catering options. These include healthy individual and shared boxes and bowls for all tastes and budgets. Eats are deliverable the same day or within 24 hours based on order requirements.

# SLOW FOOD FAST

As an alternative to fast food, we strive to preserve regional and traditional cuisine. Our dishes incorporate locally sourced and sustainable food ingredients as well as specialty imported products. We pride ourselves on promoting and providing products of other local small businesses. The focus of this slow food fast menu is on food quality, rather than quantity.
